

ENGINEERING INSURANCE

STRUCTURED INSURANCE SOLUTIONS

Jones DesLauriers Insurance Management Inc. specializes in providing services and solutions for engineers, among other knowledge-based professions. Our dedicated staff understand your business and how to communicate it to the wide range of insurance companies we represent.

Our team focuses on providing insurance solutions to help our architectural and engineering clients improve their performance and reduce their costs through innovative product development. Our continued commitment to each of our valued clients is the main focus of our service excellence.

Coverage Solutions

The engineering insurance team at Jones DesLauriers Insurance Management Inc., has developed a specialized Errors & Omissions / Professional Liability Insurance program to protect you. This innovative insurance program is designed to provide protection for small, single practitioner operations to multinational, multidisciplinary firms.

Talk to an engineering insurance specialist who understands your business and can recommend the most thoroughly planned, comprehensive, cost effective and appropriate coverage to meet your specific requirements.
